Back to TIM premises, the women's day meeting was inaugurated at the Seminar Hall of the Institute. The chief guests were welcomed to their seats on the stage. The smart young participants were very much excited to lead everyone through the day's procedures. The chief guests, who are also the proud Alumni of TIM opened up the hardships and hurdles they had to face, to reach this stage of life, which was a long nurtured dream. Both of them recollected how TIM moulded them to be strong and determined to be able to build up their career. Students, then coordinated a grant honoring of the entire women wealth of TIM, followed by felicitation talks by our Dean Dr. Santhosh V A and Prof. Shajin.

The highlight of the day was the inauguration of a charity program, THE JOY OF GIVING. The eventful program of the day was concluded with the ceremonious cake cutting and distributing among the audience.

The participants presented a melodious song about Mother, the most beautiful women on earth. Overall, a very active and lively session which was concluded by 12 noon.
